

NEW MANAGER FOR VANISH

On behalf of the VANISH Committee of Management, I take pleasure in announcing the appointment of Charlotte Smith as the new Manager of VANISH.

Several highly suitable candidates, both internal and external, were interviewed by the selection sub-committee. The rigorous selection process concluded with the sub-committee's close but unanimous decision that Charlotte would bring to the role the right mix of management expertise, community development skills and lived experience to take VANISH's services and advocacy forward into the future.

Charlotte is highly regarded for her work with VANISH in the past few years reaching out to our members right across Victoria. We look forward to Charlotte transitioning into the Manager position in mid-May 2016 and building on the work so capably undertaken by Coleen Clare during her five years as the Manager of VANISH.

The VANISH Committee of Management welcomes Charlotte as our new Manager, at the same time as we bid a fond farewell to Coleen and wish her all the best in her well-deserved retirement.

Tricia Lester
Secretary of VANISH
